All Exhibits will center around one main theme such as marketing eggs, insects in the garden, maple syrup production, community service, or may follow the agricultural theme of the fair. Exhibits to be placed by Monday at 8:00 p.m.

The exhibits will be judged by the following scale of points:

Education Value	50
Display	40
Correctness on Naming	10
Total	100

Educational Value: The educational value of the exhibit will be judged on the correctness of information presented, the clear, concise presentation of the subject material, the originality of presenting the information, and the value to the observer of the material presented.

Display: This will be judged on attractiveness of exhibit and artistic arrangement. Crowding material often detracts while proper spacing of material, rather than quantity, pleases the eye. A conglomerate exhibit is neither educational nor easy to analyze.

Correctness of Naming: Samples should be correctly named. Varieties or samples misnamed will be scored against. Signs should be eligible and printing large enough so that it may be easily seen.
