### **Lewis County Fair Beautification Committee Seeks Community Support for Gardens**

The Lewis County Fair Beautification Committee is proud to share that there are over 35 gardens spread throughout the 44 acres of the Lewis County Fairgrounds. These gardens add beauty and charm to the fairgrounds, creating a welcoming environment for visitors year-round.

Currently, only about 10 of these gardens are maintained by families as memorials to loved ones. The remaining gardens are cared for by the dedicated members of the Beautification Committee, who generously volunteer their time throughout the spring, summer, and fall.

To help sustain and expand these efforts, the committee is inviting families, businesses, and community groups to participate in a "adopt a garden Program"

Sponsors will have the opportunity to take a hands-on role in maintaining a garden space. Activities may include:

- Spring clean-up and preparation
- Planting flowers
- Weeding and watering throughout the summer for all to enjoy
- Cutting back and maintaining gardens in the fall

This initiative not only helps preserve the beauty of the fairgrounds but also fosters community pride and involvement.

If you or your organization are interested in sponsoring a garden, the Beautification Committee would love to hear from you.

For more information or to get involved, please contact Linda Zehr, Beautification Committee Chair 315.586-2223 or email: [lzehr7@twcny.rr.com](mailto:lzehr7@twcny.rr.com).
